

## LOVES THIS GIRL

Finally found a grace that fits my heart  
It's hard to find one that welcomes me  
Cause I can't walk the narrow path  
If I trip over my own feet

CHORUS: As crazy as it seems  
A God that gives me strength  
When I fall down in a sinful world  
He picks me up and He loves this girl

Even though I have a guiding light  
I seem to stumble by what's inside  
Never truly understand  
How your grace could take my hand

CHORUS: As crazy as it seems  
A God that gives me strength  
When I fall down in a sinful world  
He picks me up and He loves this girl

BRIDGE: And as I love you more  
I sense a peace in me  
It blows my mind that you would say  
Father, please forgive her

Finally found a grace that fits my heart  
It's hard to find one that welcomes me

CHORUS: Repeat 2x
